

True Service® Pledge

At High Point, we pledge to treat you with courtesy, respect and understanding. We understand that your time is valuable and that the issues you are facing may be difficult. After all, the only times you may contact your insurance company are if you have an accident or questions about your coverage or bills. Whatever the reason for your call, we will be as helpful as possible.

This means that we aim to have a friendly person answer your call promptly during business hours. We will communicate in easy to understand, jargon-free terms, and do everything possible to convey clearly what you need to know. At the end of your call, we will clearly explain what we will do next and how we will keep you informed.

If, as a policyholder, you believe that we have failed to provide you with True Service®, I would like to know. (If you have a good experience, I'd like to know that, too!) Just call 800-668-7074. If you are still convinced that we have not met the True Service® standard of excellence in our dealings with you, High Point will donate \$25 to your choice of one of these organizations:

American Heart Association American Cancer Society
Clean Ocean Action Make-A-Wish Foundation® of New Jersey

At High Point, providing excellent service isn't just a marketing slogan, it's how we operate our business.

Your group members can save an additional 5% on car insurance!

High Point has great news for your organization. Saving hundreds of dollars on car insurance for your members or employees could be as simple as participating in High Point's Corporate and Affinity Partnership Program.

Partnering with High Point is a smart, innovative and cost-effective way to make your benefits more competitive, and add value to your group.

In addition to saving your members or employees money on their car insurance, they will also receive the incredible service and benefits that High Point offers.

High Point will also assist in promoting the discount to your members or employees so there is no additional marketing cost for you.

Call us today to learn how to implement this program in your organization.

More than just insurance. Assurance.SM

Add to your member or employee benefits package, *at no cost to your organization.*

A Variety of Discounts

In addition to already competitive rates, High Point offers a variety of discounts to save you money. In total, your group members could save up to 50% on High Point car insurance.

Who is Eligible?

All of your members or employees are eligible to receive the special 5% discount. This also includes certain family members who live in the same household.

Unbeatable Services

Deductible Savings Plan

High Point rewards safe driving behavior and helps you save money if you do have an accident. For each year you are insured with us and have no at-fault accidents, we'll reduce your deductible by \$100.

Through the High Point Deductible Savings Plan, you could save up to \$500 off your comprehensive or collision deductible!

New Car Replacement

At High Point, we know people love their cars -- especially their new cars. That's why we created a coverage just for new car owners.

With the New Car Replacement Coverage, if your new car is totaled in an accident, High Point will replace it with another new car. (Some restrictions apply.)

A Choice in Claims Services

High Point offers a choice of great services to have your car repaired. Thanks to Crashbusters[®] mobile claims settlement vans and Door to Door Valet Claim Service, you can have as much or as little involvement in the repair process as you want. We will come to you and in most cases write you a check on the spot (Crashbusters[®]). Or, you can choose to let High Point work with the body shops (Door to Door Valet Claim Service) so you can save time and avoid trips to and from the body shop.
